Hafa adai!

Welcome to UOG!

Congratulations on your decision to continue your education at the University of Guam, and welcome to the Triton family! As a transfer student, we know this is not your first time on a college campus and greatly value the diverse experiences you bring to UOG. This transfer guide has been designed with you in mind. With information ranging from scheduling an advising appointment to navigating your self-service account, we hope this will be an ongoing resource as you pursue your degree at UOG. We are here to support you through your transition and are committed to your success at UOG.

Sincerely,

Office of Admissions & Records

Inadahi yan Inagofli'e

In the spirit of Inadahi yan Inagofli'e yan bendision ginen I man-mo'fo'na, the University of Guam promotes values of respect, compassion, and community to foster a learning environment that leads to thriving engagement, robust scholarship, and innovative solutions that meet local, regional, and global needs.

Inadahi, meaning "taking care of myself, others, and the environment around me" and Inagofli'e, meaning "a harmonious way to proceed, operate, and live together," serve as guidelines on expected behavior while on campus and in the classroom.

Transfer Policy

Purpose

To prepare for a successful transfer experience
To guide transfer students towards a successful degree completion

Policy Statement

All undergraduate level coursework successfully completed at the 100-level or above from any USDOE-recognized accredited institutions of higher education or an equivalent foreign institution may be considered for transfer credit at UOG.

Transfer of College-Level Credit

Transfer students' transcripts must be forwarded by the Registrar of the institution previously attended directly to the Registrar at the University of Guam. Determination of acceptable courses and credit hours from other institutions and the particular courses which will apply toward the completion of the student's program will be made by the Registrar of the University of Guam. The major program faculty and relevant Dean recommend course equivalencies for major or upper level courses. For other courses, the discipline Faculty, Dean or General Education Committee will often recommend equivalencies.

All degree level courses completed at any university, along with their grades, will be recorded on the University of Guam transcript with the credits accepted for transfer indicated. The recording procedures will be determined by the Office of Admission and Records, and an effort will be made to provide information for academic advisement as soon as possible.

Credits earned from other institutions are evaluated for transfer on the basis of a minimum of C, and the maximum number of credit hours allowed is assigned on this basis. A student's cumulative grade-point standing at the University will, at any time, be based on all academic work attempted at the University of Guam and at the institution(s) from which the student transferred.

Students requesting evaluation of credits from unaccredited institutions (those not listed in directories such as Accredited Institutions of Post-Secondary Education) must submit a copy of the school catalog and, if necessary, supportive information from the school's Registrar, in order to have their credits evaluated. Credit acceptance will be based on the recommendations of the University of Guam department offering similar courses (after the unit is requested by the Office of Admissions and Records to evaluate the credits.) The Registrar's decision is final. Furthermore, students must earn 30 semester hours at the University before an evaluation can be made.

Lower-division transfer courses that are equated to upper-division courses at the University of Guam do not carry upper-division credits, even though they may satisfy certain University of Guam upper-division course requirements. They do not relieve the student of the requirement of having a minimum of **36** upper-division credits for graduation.

Transfer Policy

NOTE: International transcripts (foreign institutions) must be evaluated on a course-by-course basis by one of the following:

Evaluation Companies Website	
Educational Credential Evaluators, Inc. (ECE).	https://ece.org
International Education research Foundations, Inc. (IERF).	https://ierf.org
World Education Services, Inc. (WES)	https://wes.org

English and Math Placement

Transfer students may be exempted if an official transcript from a USDOE-recognized accredited institutions of higher education has been submitted indicating the completion with a "C" or better in the following: (1) three semesters of college English for exemption from the English exam Preparedness Test and (2) three sememster hours in intermediate algebra, college algebra, or finite math for exemption from the Math exam.

FY-101: First Year Seminar

First Year Seminar is a three-credit course that is REQUIRED of all new first year students (and new transfer students with less than 30 cumulative credits). Measures will be established to ensure that students cannot register for further classes until they have registered and successfully completed the course. The course will help orient students to the resources available at the University of Guam and to assist individuals in becoming successful members of the campus community. This course is intended to help students make a successful transition into university life.

Graduate with Honors

Transfer students must earn at least half (60) of the total credit hours required (120) at the University of Guam with letter grades in order to be eligible for honors at Graduation.

Admission of Transfer Students

Admission

Applicants are considered transfer students if they have enrolled for any college-level course work at another U.S. Department of Education-recognized accredited higher education institution or an equivalent foreign institution, full-time or part-time, since graduating from high school. Applicants are not considered transfer students if the only college-level classes they have taken were while enrolled in high school. To be considered for admission, transfer students must report all previous college work and have official transcripts forwarded to the Admissions Office directly from the issuing institution.

Students who have successfully completed less than 15 semester hours of college credit must have high school transcripts indicating date of graduation or proof of successful completion of the General Educational Development (GED) test sent directly to the Admissions Office from the issuing institution. Transcripts received by the University become the property of the University and will not be given to the student or reproduced under any circumstances.

IMPORTANT: All foreign transcripts must be converted to U.S. standards by one of the following U.S. evaluation service companies listed below on page 6. An official course for course evaluation must be sent directly to Admission Office.

Hard copy transcripts must be mailed directly to: UOG Admissions & Records Office, 303 University Drive, UOG Station, Mangilao, Guam 96913.

Electronic transcripts are acceptable provided they are emailed directly to admitme@triton.uog.edu from a third party transcript ordering company such as National Student Clearing House or Parchment. Please visit your schools website to see if this service is offered.

SATISFACTORY ACADEMIC PERFORMANCE

Transfer students must demonstrate satisfactory academic performance as evidenced by an overall grade point average of 2.00 or better on a 4.00 scale on all college work attempted and be in good academic standing at their last institution of attendance.

CONDITIONAL ADMISSION OF TRANSFER STUDENTS

Students who do not have a cumulative (overall) grade point average of at least 2.00 or were not in good academic standing at their last institution of attendance may be admitted to the University on probation if one of the following is applicable:

- The student has an overall grade point average of 1.90 or better on a 4.00 grade point scale.
- The student has completed a total of less than 15 semester hours with an overall grade point average of less than 2.00 on a 4.00 grade scale.

Students admitted on conditional admission must maintain a grade point average of 2.00 or better during their first semester of enrollment to be eligible for continued enrollment.

Transfer Credits & Substitutions

Transfer students must report all previous college work and have official transcripts forwarded to the Admissions and Records Office directly from the issuing institution.

The Admissions and Records Office will review official transcripts and determine course equivalency for credit to meet general education and degree requirements based on course descriptions and recommendation from faculty, dean, or General Education Committee.

All degree-level courses completed at any university, along with their grades, will be recorded on the University of Guam transcript.

Credits earned from other institutions are evaluated for transfer on the basis of a minimum grade of "C" and the maximum number of credit hours allowed is assigned on this basis.

A student's cumulative grade-point standing at the University will, at any time, be based on all academic work attempted at the University of Guam and at the institution(s) from which the student transferred.

To allow a course to fulfill a required UOG course or a general education category or major/minor requirement, a substitution request form is needed.

Steps for substitution of transfer credits:

1. Complete the substitution request form.
2. Indicate whether the substitution request is for a general education, major or minor requirement.
3. Indicate the name of the institution the course was taken at.
4. In column A, indicate the course number, title of substitute course and number of credit hours completed.
5. In column B, indicate the course number, title of UOG required course and number of credit hours required.
6. Provide a copy of the course description and syllabi.
7. Advisor's recommendation is required.
8. Recommending Officials
   - General Education Requirement – requires approval from Department Chair and Dean of the School/College offering the course.
   - Major/Minor Requirement – requires approval from Department Chair and Dean of the School/College offering your major/minor.
9. Return completed form to the Admissions and Records Office for Registrar's review and processing.

Financial Aid

3 Easy Steps to Apply for Everything!

Your education at the University of Guam may be more affordable than you think. Apply for all potential financial aid options available to you in 3 simple steps.

Step 1: Apply for Federal Financial Aid

Complete the FAFSA Online Every Year

- Complete the Free Application for Federal Student Aid (FAFSA) at www.studentaid.gov.
- When prompted, enter the UOG School Code: 003935.
- If you need help completing the FAFSA, call 1 (800) 433-3243.
- UOG will receive your FAFSA approximately one week after completion.

Access Financial Aid Self-Service

- One week after completing your FAFSA, log onto your self-service account.
- If you're new to the Financial Aid Self-Service system, download the user guide.
- Once all required documents have been submitted, the UOG Financial Aid Office will process your application.

Submit TEACH Grant Application (Education Majors Only)

- Complete the TEACH Grant application and return it to the Financial Aid Office.
  https://www.dropbox.com/s/qkv9gtyl4gcl9cz/TEACH%20Grant%20Application%20AY2020-2021.pdf?dl=0

Application Review and Awarding Process

- The review process may take two to six weeks from the start of the semester and depending on when all documents are submitted.
- Check your Financial Aid Self-Service account to see the status of your award, including any other documents that you need to submit.
- Award funds are always applied to tuition and fees. Remaining credit balances will be deposited to the bank account of your choice. If you have not submitted a direct deposit form, download the form and submit it to the cashier at the Business Office.
- If you decide to accept any type of federal loan, loan counseling is required by UOG's Financial Aid Office to help you understand your loan obligations. You will also need to complete a Master Promissory Note. Information about interest rates and fees can be found by clicking here.

Step 2: Apply for Local Financial Aid

- Visit our Government of Guam Student Financial Assistance Programs page to see what you might be eligible for.
- Download and complete the Student Financial Assistance Program Application as well as the specific application for the program(s) you are eligible for. Return these to the Financial Aid Office by the deadline indicated for that program.

Step 3: Apply for Scholarships

- Visit our Scholarships page to see the scholarships available and to see if you are eligible. Check this page regularly, as scholarship opportunities change throughout the year.
- Download and complete the application for the scholarship(s) you are eligible for. Return your completed application to the Financial Aid Office by the deadline indicated for that scholarship.

Residence Halls

How to Apply

Residence Halls Applications are accepted on a rolling basis until all rooms are filled.

Eligibility

Applicants to the Residence Halls must fulfill the following Four (4) requirements. Failure to meet these requirements prior to check-in date may result in the cancellation of the application and room reservation.

1. Enrollment Status—must be enrolled full-time or part-time at UOG or Guam Community College (GCC), or participating in research at UOG.
2. Health Clearance—up-to date shot record; PPD; MMR, etc, via the Student Health Office.
3. Collections—financial obligations to UOG must be cleared or proof of payment plan with the Collections Office must be provided.
4. $100.00 Resident Life Housing Deposit—required to reserve a room and must be paid prior or upon submission of the application by check, money order, or credit card. For your convenience, see page 2 of the application for credit card payment that we are able to assist you in processing.

Application Process

1. Complete Online Application Form
   Fill out the form on website below.
2. Pay Resident Life Housing Deposit
   Pay the $100.00 Resident Life Housing Deposit online via CashNet.
3. Acceptance Notification
   You will be notified via email or phone whether or not your application has been accepted. If you have not been contacted within two business days, call us at (671) 735-2260 or email rho@triton.uog.edu.
