TUITION & FEE PAYMENT

RESIDENT AND NON-RESIDENT STUDENTS

An applicant is initially classified as a resident or non-resident for tuition purposes at the time of application with the Office of Admissions. The classification, which is certified by the Registrar, is based upon information furnished by the student and from other relevant sources. In compliance with the Residency Policy passed by the Board of Regents on February 1996 and amended on May 1997 and June 17, 2004, students in Non-Resident status are required to pay non-resident tuition.

The considerations used in determining Residency status are as follows:

- Establishment of a domicile on Guam or in one of the Freely Associated States (the Commonwealth of the Northern Marianas Islands, the Federated States of Micronesia, the Marshall Islands, or the Republic of Palau) as mandated by 17GC16125. (a) for a period of twelve month prior to the beginning of the term for which residency is claimed, or
- Evidence of residency for a period of twelve months or more prior to the beginning of the term for which residency is claimed. Evidence of residency will be shown by a student providing documentation from one of the following¹:
 - Permanent employment on Guam (verification of employment)
 - Payment of income taxes of Guam (by student, or by parent/guardian if the student is a dependent).
 - Ownership or rental of living quarters on Guam.
 - Continue to use a Guam permanent address on ALL RECORDS (educational, employment, military, financial).
 - Retain your Guam voter's registration.
 - Maintain a Guam driver's license or vehicle registration. If it is necessary to change your license or registration while temporarily residing in another location, the license MUST be changed back to Guam within 10 days of the date of return to Guam, and the vehicle registration must be changed within 20 days of the date of return.
 - Village Mayor's certification of residency.
- Adjustment to Permanent Resident Status
Students who have filed for an Adjustment to Permanent Resident Status will be eligible for resident rate only if they have resided on Guam for twelve consecutive months prior to applying to the university and have submitted the following supporting documents:
 - Notice of Action for the Adjustment to Permanent Resident Status from the USCIS.

- Proof of residency (documents to prove living on Guam for the last twelve months prior to applying to the university).
- A Notice of Action denying the student's application for an Adjustment to Permanent Resident Status will render the student ineligible for resident tuition rate.

The burden of proof is upon the student making a claim to resident student's status. The admission of students who knowingly provide false information for the purpose of achieving resident status shall be subject to cancellation and adjusted billing.

Exemptions to the twelve-month requirement where resident classification may apply:

Graduate of a Guam High School

You may be entitled to an exemption from nonresident tuition if you attended high school in Guam for three (3) or more years AND graduated from a Guam high school. You are not eligible for this exemption if you are a nonimmigrant alien.

Attended Elementary and Middle School on Guam.

You may be entitled to an exemption from nonresident tuition if you attended both elementary AND middle school on Guam. You are not eligible for this exemption if you are a nonimmigrant alien.

Active Military Duty. United States Military personnel and their authorized dependents (as defined by the Armed Services) are exempted from the 12 month residency requirement during the period such personnel are stationed in Guam on active duty.

NOTE: This exception does not apply to employees of other U.S. federal government departments, bureaus, or agencies or their dependents who are assigned or stationed to Guam.

Legal Place of Residency. You may be entitled to an exemption from nonresident tuition if you are able to demonstrate to the Registrar that Guam is your legal place of residency and you intend to make Guam your permanent place of residency.

Permanent Resident. You may be entitled to an exemption from nonresident tuition if you are able to demonstrate that you permanently reside in Guam, but have been absent for only educational, training, or military reasons.

¹Non immigrant aliens, e.g. B,F,H,E Visa holders, are classified as non-residents and are not qualified for resident tuition rates or exemptions.

If you are classified as a non-resident and wish to be considered for resident reclassification, complete the "Petition for Residency Student Classification" before the semester or term you wish to enroll. Approved changes of status will become effective for the term or semester following the approval; they are not retroactive, and no refunds will be given.

For more information, please contact the Admissions Office at (671)735-2202/14, 2204/06, or admitme@triton.uog.edu.
