Any one or combination of the following may constitute sufficient reason for dismissal from the program:

- (a) Suspension or dismissal for academic deficiency, disciplinary reason(s) or conviction of a felony.
- (b) Forfeiture of the award under any one or combination of the provisions herein established.
- (c) Failure to enroll in the semester of the academic year immediately following the granting of the award, unless deferment of the enrollment in that semester is approved by the Board of Regents. A recipient granted such deferment will forfeit the award for failure to enroll in the next semester immediately following the approved deferment.
- (d) Failure to maintain the minimum cumulative grade point average as required by the recipient's respective program each semester, except a recipient may be allowed not more than two regular academic semesters to regain this average without cancellation of award.
- (e) Failure to maintain full-time status.
- (f) Failure to abide by any one or combination of the provisions of these policies as established by the Board of Regents of the University of Guam.

A recipient who forfeits an award and who regains entitlement of the award pursuant to §§12(b) and (c) shall not be required to repay the amount awarded for that academic term in which the academic deficiency or failure to maintain full-time status occurred until after graduation, or other termination of studies for any other reason.

13.0 SERVICE CREDIT. _____

For the purpose of repayment, the recipient shall receive:

- (a) As a condition of selection in the program, each recipient shall agree to begin employment within six (6) months from completion of his/her nursing, social work, or health sciences degree in the public health system of Guam including Guam Memorial Hospital Authority, the Department of Public Health and Social Services, the Guam Behavioral Health and Wellness Center, the Guam Department of Education (school health counselor) or the Guam Community College (school health counselor), or in private clinics or private hospitals licensed to do business on Guam, and to continue in such employment for a period of time equal to two (2) calendar years for each academic year of training under the program. The School of Nursing and Health Sciences shall certify and approve employment that meets the criteria in Section 13.
- (b) A recipient shall further agree that, in the event he fails to complete the program or refuses to fulfill the obligation set forth in (a), he/she shall then repay the Government of Guam through the Collections Office/Bursar's Office at the University of Guam, an amount equal to the total of tuition, fees, textbooks, and supplies paid on behalf of the recipient and the total monthly allowance paid to the recipient.
- (c) **Service Credit.** The recipient shall receive service credit for each year of employment on Guam. If the recipient begins employment on Guam within six (6) months after graduation without interruption, the recipient is considered to have met the obligation to the Board and will receive credit beginning on the date of employment. A year of service credit is twelve (12) months. In the event that any portion of the assistance is not repaid through service credit, the amount unpaid in service credit shall become due and payable.
- (d) **Postponement.** If the recipient does not begin employment as required by §13(a) herein within six (6) months after graduation to continue Nursing or a Health Related field of studies at a graduate or professional school on a regular full-time, on-campus basis, at an accredited institution of higher education, as recognized by the Council for Higher Education Accreditation (CHEA), an appeal may be submitted in writing to the Board for approval. Furthermore, postponement of service obligation through service may be granted those who are

experiencing a family or medical emergency, in which an appeal may be submitted in writing to the Board for approval.

- (e) **Unapproved Postponement.** The recipient who does not obtain prior approval from the Board and who does not return and begin employment on Guam within six (6) months after graduation must pay in cash the total amount received per year, calculated on a daily rate for each day the person is not employed on Guam. The daily rate will be calculated by the University of Guam Collections Office / Bursar's Office based on applicable promissory notes.

Once this amount has been paid in full, the recipient is entitled to use service credit for the remaining amount of the debt for each year of employment on Guam.

- (f) **Interruption.** If a recipient receiving service credit wishes to temporarily terminate employment on Guam to continue Nursing or a Health Related field of studies at a graduate or professional school on a regular full-time on-campus basis, at a U.S. accredited institution of higher education, as recognized by the Council for Higher Education Accreditation (CHEA), an appeal in writing must be submitted to the Board of Regents for approval. Upon approval, the repayment obligation shall be deferred for the period granted to continue studies. If prior approval of the Board is not obtained, the recipient must pay in cash for each day the person is not employed on Guam at a rate determined by the University of Guam Collections Department. Once the amount is paid in full, the recipient is entitled to use service credit on the remaining debt.
- (g) **Ineligibility for Service Credit.** Any recipient, who did not receive the degree pre-approved by the Board of Regents, shall be ineligible for service credit. All monies disbursed during attendance under the Health Professions Training Scholarship Program will become due and payable and shall be subject to an annual interest rate of ten percent (10%) in monthly installment payments. Such payments must not exceed ten (10) years pursuant to law. The University of Guam Collections Department will compute the recipient's monthly installment payments in the event of default. Furthermore, permanent transfer to an off-Island office or branch of a Guam employer shall not count towards service credit and shall result in default on the date of transfer, and interest shall begin on such date of default.
- (h) **Leave of Absence.** It is the responsibility of the recipient to inform the University of Guam of any leave of absence longer than forty-five (45) days. The recipient must remain employed pursuant to §13(a) herein to receive service credit while on off-Island temporary leave status.
- (i) **Annual Proof of Employment.** It is the responsibility of the recipient to provide the Financial Aid Office or Bursar/Collection Office, documentary evidence (See Section 11, k) of such employment and, each year thereafter, until such obligation is fulfilled.

14.0. CONFLICT. _____

Previous regulation(s) under which a recipient was awarded financial assistance shall continue to apply to the recipient for the remainder of the recipient's studies, notwithstanding any revised regulation which conflicts with the previous regulation(s), unless specifically stated otherwise.
