Dear UOG Students,

The University of Guam is committed to your success by providing a quality education in a safe environment. Sexual harassment and misconduct of any kind on-campus, off-campus and anywhere is unacceptable. The safety and well-being of all members of our University Community is not only our priority, but a responsibility we share with our students.

As a University of Guam student and a member of the University Community, you have the right to learn and study in an environment free from sexual misconduct and discrimination. You also have the right to file a complaint and have it heard in a responsible and clear manner.

To ensure your rights are upheld, we have taken the following steps to strengthen our processes and policies:

Sexual Harassment Training

Beginning October 2015, UOG has required all employees to complete annual online sexual harassment training. Beginning Fall 2016, all students will also be required to take the online training before registering for classes.

Sexual Misconduct Policy Update

In Fall 2015, President Underwood created a five-member Task Force which included UOG representation from faculty, staff and students to recommend revisions to our sexual harassment and consensual sex policies. A special Board of Regents meeting will be held in March to adopt the new policy. You can view the policy on the UOG website.

UOG Helpline

We have established a dedicated **Helpline at 735-HELP (4357)** which anyone can call directly to report any sexual misconduct. All reports will be considered privileged information and will be investigated.

A Helpline website has also been launched at www.uog.edu/helpline with easy to understand information and resources about your options, rights and instructions on what to do if you or someone you know has experienced sexual harassment or discrimination.

Facility Upgrades

We are implementing a plan to ensure adequate lighting around the campus for evening classes. We are also exploring updates and expansions for alarms, CCTV cameras, early warning systems and more security presence around campus.

These efforts are part of our enduring and firm commitment to our students and the University Community. We will take extra steps to make our campus even safer and more secure. We also commit to keeping you informed about our efforts, and we ask you to make any suggestions or comments to directly to my office at 735-2994 or email me directly at abe@triton.uog.edu.

We are committed to you.

TUITION AND FEE PAYMENT

Resident and Non-Resident Students

An applicant is initially classified as a resident or non-resident for tuition purposes at the time of application with the Office of Admissions. The classification, which is certified by the Registrar, is based upon information furnished by the student and from other relevant sources. In compliance with the Residency Policy passed by the Board of Regents on February 1996 and amended on May 1997 and June 17,2004, students in Non-Resident status are required to pay non-resident tuition.

The considerations used in determining Residency status are as follows:

1. Establishment of a domicile on Guam or in one of the Freely Associated States (the Commonwealth of the Northern Marianas Islands, the Federated States of Micronesia, the Marshal Islands, or the Republic of Palau) as mandated by 17GC16125. (a) for a period of twelve month prior to the beginning of the term for which residency is claimed, or
2. Evidence of residency for a period of twelve months or more prior to the beginning of the term for which residency is claimed. Evidence of residency will be shown by a student providing documentation from one of the following:

- Permanent employment on Guam (verification of employment)
- Payment of income taxes of Guam (by student, or by parent/guardian if the student is a dependent).
- Ownership or rental of living quarters on Guam.
- Continue to use a Guam permanent address on ALL RECORDS (educational, employment, military, financial).
- Retain your Guam voter's registration.
- Maintain a Guam driver's license or vehicle registration. If it is necessary to change your license or registration while temporarily residing in another location, the license MUST be changed back to Guam within 10 days of the date of return to Guam, and the vehicle registration must be changed within 20 days of the date of return.
- Village Mayor's certification of residency.

3. Students who have filed for an Adjustment to Permanent Resident Status will be eligible for resident rate only if they have resided on Guam for twelve consecutive months prior to applying to the university and have submitted the following supporting documents:

- A Notice of Action for the Adjustment to Permanent Resident Status from the USCIS.
- Proof of residency (documents to prove living on Guam for the last twelve months prior to applying to the university).
- A Notice of Action denying the student's application for an Adjustment to Permanent Resident Status will render the student ineligible for resident tuition rate.
- The burden of proof is upon the student making a claim to resident student's status. The admission of students who knowingly provide false information for the purpose of achieving resident status shall be subject to cancellation and adjusted billing.

EXEMPTIONS TO THE TWELVE-MONTH REQUIREMENT WHERE RESIDENT CLASSIFICATION MAY APPLY:

GRADUATE OF A GUAM HIGH SCHOOL

You may be entitled to an exemption from nonresident tuition if you attended high school in Guam for three (3) or more years AND graduated from a Guam high school. You are not eligible for this exemption if you are a nonimmigrant alien.

ATTENDED ELEMENTARY AND MIDDLE SCHOOL ON GUAM

You may be entitled to an exemption from nonresident tuition if you attended both elementary AND middle school on Guam. You are not eligible for this exemption if you are a nonimmigrant alien.

ACTIVE MILITARY DUTY

United States Military personnel and their authorized dependents (as defined by the Armed Services) are exempted from the 12 month residency requirement during the period

such personnel are stationed in Guam on active duty. NOTE: This exception does not apply to employees of other U.S. federal government departments, bureaus, or agencies or their dependents who are assigned or stationed to Guam.

LEGAL PLACE OF RESIDENCY

You may be entitled to an exemption from nonresident tuition if you are able to demonstrate to the Registrar that Guam is your legal place of residency and you intend to make Guam your permanent place of residency.

You may be entitled to an exemption from nonresident tuition if you are able to demonstrate that you permanently reside in Guam, but have been absent for only educational, training, or military reasons.

Non immigrant aliens, e.g. B,F,H,E Visa holders, are classified as non-residents and are not qualified for resident tuition rates or exemptions.

If you are classified as a non-resident and wish to be considered for resident reclassification, complete the "Petition for Residency Student Classification" before the semester or term you wish to enroll. Approved changes of status will become effective for the term or semester following the approval; they are not retroactive, and no refunds will be given.

For more information, please contact the Admissions Office at (671)735-2201/02/14, 2204/06, or admitme@triton.uog.edu.

If you do not officially drop or withdraw from class(es) within the time periods scheduled and still owe tuition and fees; you are liable for payment and interest charges and will be billed accordingly. Therefore, it is crucial that you officially drop or withdraw from class(es) in a timely manner.

ONLINE COURSE INFORMATION

When does my online class start?

Online classes at UOG Moodle typically start at the same time as the on-campus classes. If the first day of on-campus classes starts on a Wednesday, then online classes will start on the same day. If you do not see your class when the semester starts, feel free to contact the UOG Moodle Help team.

How do I access my class in UOG Moodle?

Classes in UOG Moodle typically require that you enter an enrollment key to access the class. If you have not received your enrollment key by email, you should contact the instructor immediately to ask for the enrollment key.

Can I be automatically added into my class in UOG Moodle?

The UOG Moodle Help team is working to make this process easier. At the start of the semester, you can check to see if you have already been added into the online classroom. If you are already in, you do not need an enrollment key. To see the classes that you are in, log in to UOG Moodle, then look in the "Navigation" block and click on "My courses". You will see any courses that you are already in. If you do not see your course, then you may need to contact the instructor to ask for an enrollment key.
