MESSAGE FROM THE CHAIRPERSON

The Board of Regents extends its sincere congratulations to the graduates of this Class of Fanuchãnan 2018.

It is our great honor to see this class of ambitious, innovative, and well-prepared graduates enter the workforce. We know the road to a degree is never an easy one, but the investment you have made here at UOG will pay lifelong dividends. We hope your experience here has expanded your perspective, grounded your values, and inspired your future.

Wherever your journey takes you, we hope you will remain an active and engaged part of the Triton family and our island of Guam and that you will continue to seek the Triton mission to enlighten, to discover, and to serve.

We look forward to hearing of your many accomplishments to come.

Mr. Christopher K. Felix
Chairperson, Board of Regents

MESSAGE FROM THE PRESIDENT

Today is an important day! This Fanuchãnan Commencement marks the finish line for a commitment you made to yourself and for a commitment that the University of Guam made to you. Congratulations on achieving this important goal!

That commitment was to complete the necessary work to earn a degree – a degree that represents your understanding of not only your subject area, but how to analyze and make meaningful contributions to our island, nation, region, and world.

It is with pride that we recognize this great accomplishment and now welcome you into our family of Triton alumni. Our alumni are dispersed throughout Micronesia and the world and hold many influential roles as government officials, corporate executives and entrepreneurs, leaders in health care, education, science, and more. Your path from this point will become a proud part of UOG's story as well.

Congratulations and BIBA UOG!

ABOUT COMMENCEMENT

Academic Dress and Procession

The history of academic dress dates to the Middle Ages when many scholars were also clerics and wore costume of the monastic orders. In 1321, the University of Cambridge adopted specific styles and color combinations. American colleges and universities desired to adopt a standard code for academic dress for colleges and universities in the United States. The standards continue to be followed by the American Council of Education.

The costumes worn today are all traditional and their colors, trimmings and patterns interpret the degree, the field of learning, and the institution that conferred the degree. The bachelor's gown has long pointed sleeves and is designed to be worn closed; the master's gown has an oblong sleeves open at the wrist. The rear part of its oblong shape is square cut and the front part has an arc cut away. The doctor's gown has bell-shaped sleeves, is faced with velvet and has three bars across the sleeves. The color of the velvet is distinctive of the degree.

The hood tells the story. The type of degree bachelor's, master's, doctor's, is indicated by the width of the velvet edging and the length of the hood, the doctor's hood being the longest and of a fuller shape. The color of the velvet edging denotes the field of learning and the lining denotes the school that conferred the degree.

The color of the tassel, worn on the left side of the mortarboard, indicates the field of study and is gold for those with a doctor's

degree. The colors you will see today in the hoods and gown of our faculty represent the various fields of learning: white, arts, letters, and humanities; drab, business administration; light blue, education; apricot, nursing; dark blue, philosophy; and golden yellow, science.

The academic procession is led by the grand marshal, who is the President of the Faculty Senate. A traditional order to procession is followed: First come the candidates for degrees according to the order in which the degrees are to be conferred; next, members of the faculty led by the faculty marshal, the honorary degree recipient and the other members of the platform party followed by the president of the university. The order is reversed for the recessional.

You will note that some of today's graduates are wearing a gold stole. This stole indicates that the wearer is graduating with academic honors.

The Mace

Historically, the mace was a heavy, spiked club used during the Middle Ages to break armor in battle. Today, the mace is an ornamental staff borne as a symbol of authority before a public official or legislative body. The mace of the University of Guam is made of ifil wood into which are carved ifil leaves. Ifil wood was chosen because of its performance, strength and value, all of which reflect the major characteristics of the University of Guam. The mace, designed by Forrest G. Rogers, was carved and donated to the University of Guam by the Department of Corrections.

COMMENCEMENT ADDRESS

Mr. Julian Aguon

Human Rights Lawyer and Founder of Blue Ocean Law

Julian Aguon is a human rights lawyer breaking new ground at the intersection of international indigenous rights and environmental law. A native son of Guam, Julian founded his own law firm at the age of 28 to advocate for the myriad peoples of the Pacific region. His firm, Blue Ocean Law, works across multiple jurisdictions and develops innovative legal strategies to advance the self-determination struggles of native and non-self-governing peoples.

Barred in Guam, Palau, and the Marshall Islands, Julian has provided counsel for governments, civil society organizations, and national liberation movements. His projects have included working with the Marshall Islands to seek redress for the harms of nuclear testing, fighting to protect the land rights of the indigenous peoples of the Northern Mariana Islands, and providing lawmakers from small island states with legal and regulatory tools to better protect their natural resources.

Currently, Julian is working with the Pacific Network on Globalisation to ensure protection of indigenous rights as the emergent deep sea mining industry lays claims throughout Melanesia - in Fiji, Papua New Guinea, Tonga, and Vanuatu. In his own Guam, Julian serves as legal counsel to the Legislature and was appointed Special Assistant Attorney General to defend the decolonization process, specifically the right of the native inhabitants of Guam to freely choose their political status. Julian was named a "human rights hero" by the Petra Foundation for his work advancing the rights of his own and other Pacific peoples.

Julian also lectures at the University of Guam and the William S. Richardson School of Law, where he teaches International Law and Pacific Island Legal Systems. He has published numerous books and law articles on a range of international law and human rights issues. Julian's most recent article, published in the Harvard Environmental Law Review, identifies the potential social and environmental impacts of deep sea mining and advocates for a comprehensive and rights-protective regulatory regime.

THE NATIONAL ANTHEM

Lyrics by Francis Scott Key

Oh! Say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O're the ramparts we watched were so gallantly streaming.
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh!, Say does that star-spangled banner yet wave
O're the land and of the free and the home of the brave?

THE GUAM HYMN / FANOGHE CHAMORU

Ramon Manalisay Sablan, M.D. (1934)

Translated to Chamorro by Lagrimas Untalan

Fanoghe Chamorro put it tano'-ta
Kanta I matuna-na gi todo I lugat.
Para I honra, para I gloriha
Abiba I isla, sin parat.
Para I honra, para I gloriha
Abiba I isla, sin parat.

U todo I tiempo I pas para hita
Yan ginen I langet na bendesion.
Kontra I piligru, na'fansafu ham
Yu'os protehi I isla Guåhån.
Kontra I piligru, na'fansafu ham
Yu'os protehi I isla Guåhån.

UNIVERSITY ALMA MATER

Music by R. Mannoni

On the shore of the Western Pacific
Stands our Alma Mater true.
We'll long retain the memories
Of the days we spent with you.

In the warmth of the island magic,
We will return some day.
Join in and sing a song of praise.

Hail, oh hail.
Hail, oh hail.
Our University.
