## MESSAGE FROM THE CHAIRPERSON

---

On this exciting day, take a moment to look around and take it in. Your family and friends are beaming with pride, you've created bonds with your classmates who are now your fellow graduates, and your professors and the UOG community – both today and into your future – stand behind you.

You set out to accomplish your dream, and you did it!

Moreover, you have persevered through an extraordinary and challenging time, now two years into the global pandemic. You are all an inspiration for our island and region and a testament to perseverance and adaptability – two traits that will continue to serve you well past your collegiate career.

The investment you have made here at the University of Guam will pay lifelong dividends.

And as you enter the next phase of your lives, we hope you will remain an active and engaged part of the Triton family and our island of Guam and that you will continue to seek the Triton mission to enlighten, to discover, and to serve.

We look forward to hearing of your many accomplishments to come.

Congratulations, graduates!

A handwritten signature in black ink that reads "Liza Provide".

Liza J. Provide  
Chairperson, Board of Regents

## MESSAGE FROM THE PRESIDENT

---

Congratulations to our Class of Fañomnâkan 2022! On this occasion we recognize the incredible personal achievement of 335 graduates as well as the significant institutional milestone of UOG's Platinum Jubilee – 70 years of educating and serving our regional population.

Both of these occasions stem from a common pursuit for growth and advancement – a desire to know more, to do more, to rise *para hulo*, or ever upward, for the betterment of ourselves and those around us. These are pursuits that I hope will continue to fuel you long past this moment.

I encourage you to continue to grow your expertise – become a lifelong learner – to allow you to contribute in meaningful ways in your local community and the global community. Follow your talents and passions and the values instilled in you here at UOG and on this island to discover your own unique path.

With great pride, we now welcome you into our family of Triton alumni, who are dispersed across the globe and throughout Micronesia in impactful roles as government officials, corporate executives and entrepreneurs, leaders in health care, education, science, and more. Your path from this point will become part of UOG's story as well.

This is the start of a new journey – and the possibilities are endless.

BIBA, Class of 2022!

A handwritten signature in black ink that reads "Tom Krise".

Thomas W. Krise, Ph.D.  
President

# ABOUT COMMENCEMENT

## Academic Dress and Procession

The history of academic dress dates to the Middle Ages when many scholars were also clerics and wore costume of the monastic orders. In 1321, the University of Cambridge adopted specific styles and color combinations. American colleges and universities desired to adopt a standard code for academic dress for colleges and universities in the United States. The standards continue to be followed by the American Council of Education.

The costumes worn today are all traditional and their colors, trimmings and patterns interpret the degree, the field of learning, and the institution that conferred the degree. The bachelor's gown has long pointed sleeves and is designed to be worn closed; the master's gown has an oblong sleeves open at the wrist. The rear part of its oblong shape is square cut and the front part has an arc cut away. The doctor's gown has bell-shaped sleeves, is faced with velvet and has three bars across the sleeves. The color of the velvet is distinctive of the degree.

The hood tells the story. The type of degree bachelor's, master's, doctor's, is indicated by the width of the velvet edging and the length of the hood, the doctor's hood being the longest and of a fuller shape. The color of the velvet edging denotes the field of learning and the lining denotes the school that conferred the degree.

The color of the tassel, worn on the left side of the mortarboard, indicates the field of study and is gold for those with a doctor's

degree. The colors you will see today in the hoods and gown of our faculty represent the various fields of learning: white, arts, letters, and humanities; drab, business administration; light blue, education; apricot, nursing; dark blue, philosophy; and golden yellow, science.

The academic procession is led by the grand marshal, who is the President of the Faculty Senate. A traditional order to procession is followed: First come the candidates for degrees according to the order in which the degrees are to be conferred; next, members of the faculty led by the faculty marshal, the honorary degree recipient and the other members of the platform party followed by the president of the university. The order is reversed for the recessional.

You will note that some of today's graduates are wearing a gold stole. This stole indicates that the wearer is graduating with academic honors.

## The Mace

Historically, the mace was a heavy, spiked club used during the Middle Ages to break armor in battle. Today, the mace is an ornamental staff borne as a symbol of authority before a public official or legislative body. The mace of the University of Guam is made of ifil wood into which are carved ifil leaves. Ifil wood was chosen because of its performance, strength and value, all of which reflect the major characteristics of the University of Guam. The mace, designed by Forrest G. Rogers, was carved and donated to the University of Guam by the Department of Corrections.

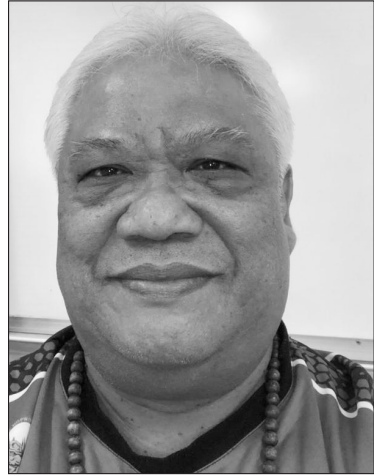

# HONORARY DEGREE

## Donald Benavente Mendiola Master of Micronesian Traditional Knowledge *Honoris Causa*

---

Donald Benavente Mendiola is an indigenous expert who has made significant contributions to the community in traditional practices as a *yo'ámte* (traditional healer), master weaver, and *fa'fa'nague* (teacher) of CHamoru language. Since his early childhood, Mendiola was recognized by his elders as having the gift of healing and began his service in herbal remedies, massage, and spiritual healing by the age of 9.

As a counselor and guide with Pineksai Haya, a youth cultural immersion program, he has helped youth build awareness and a better understanding of who they are and to gain more self-confidence.

**Donald Benavente Mendiola**

Mendiola has been teaching the CHamoru language for more than 49 years, including more than 33 years in the Northern Mariana Islands Public School System. He teaches cultural studies at Hopwood Middle School in Saipan, including traditional healing and weaving, and perpetuates his knowledge further by providing training and workshops for other educators.

In 2009, he wrote and published “*Ámot Chamorro, a Historical Snapshot of the CNMI’s Medical Herbs and Shrubs*” to promote first-hand knowledge about herbal remedies to future generations.

## HONORARY DEGREE

### **Patrick Ubal Tellei, Ed.D.** Doctor of Humane Letters *Honoris Causa*

Patrick U. Tellei, president of Palau Community College, is the longest serving chief executive of any higher education institution in the Pacific region. Tellei has come to be known for the educational opportunities he has made possible for the people of Palau and the wider region of Micronesia and the many agreements he has brokered with universities and colleges that consistently enhance academic excellence and island progress.

Beyond research and education, Tellei has served as a delegate and secretary to the 2nd Constitutional Convention for Palau, as a catastrophic relief coordinator for Super Typhoon Bopha Recovery, as a governing board member of the Pacific Islands Ocean Observing System, and as a member of the negotiating team for the Compact of Free Association for Palau. He has also served as an ambassador for Pacific Island-based institutions in regional, national, and international forums.

**Patrick Ubal Tellei, Ed.D.**

Tellei earned his Doctor of Education from the University of San Diego in 2005, with his dissertation focused on workforce development in Palau from pre-contact to 1999.

Throughout his career, he has been a supporter of the practice and transmission of island wisdom and traditional lifeways within educational settings and beyond. As an advocate and adviser to national, regional, and international leaders, Tellei has emphasized the importance of education to addressing the critical challenges of our time.

# COMMENCEMENT ADDRESS and HONORARY DEGREE

## John Ray Taitano, M.D., MSS, FCAP Doctor of Humane Letters *Honoris Causa*

---

Dr. John Ray Taitano is the first graduate of the University of Guam to be accepted into medical school and the first state surgeon of the Guam Air and Army National Guard.

After earning his bachelor's in biology from UOG in 1968, Dr. Taitano built a successful military career and has been serving the people of Guam as an internal medicine specialist for 42 years.

He became the first CHamoru to earn a Doctor of Medicine from the University of Hawai'i at Mānoa John A. Burns School of Medicine and later became the first CHamoru physician to graduate from the U.S. Army War College.

**JOHN RAY TAITANO, M.D., MSS, FCAP**  
Commencement Speaker

Seeing the need for medical professionals in Guam, he returned home to give back to the community that supported him.

With three of his colleagues in 1985, Dr. Taitano co-founded The Doctors' Clinic in Tamuning, one of Guam's longest running private clinics.

Throughout his career, Dr. Taitano has also been active in Guam's medical community at large – having served as president of the Guam Medical Society, the Guam Veterans Advisory Committee, and the Guam Board of Medical Examiners, to name a few.

He currently serves as chairman of the Guam Memorial Hospital's Department of Medicine and as vice president of the Cancer Council of the Pacific Islands.

Taitano retired from the military in 2006 after 26 years of service. He served in the Vietnam War and in Operation Iraqi Freedom as a Medical Corps Officer. He holds numerous military awards, including the National Defense Service Medal, the Humanitarian Service Medal, and the Vietnam Service Medal with two bronze service stars.

Taitano is also a three-time winner of the UOG Distinguished Alumni Awards and also holds the honorary Doctor of Humane Letters from the UOG Board of Regents.

His greatest accomplishment, however, is his marriage to his college sweetheart, Sera Babauta Chargualaf Taitano of Santa Rita, and their four sons – John Ray Taitano II, Dr. Johnathan Ryan Taitano, Jon Robert Taitano, and Jason Raymond Taitano, who have blessed the family with their wonderful spouses and grandchildren.

## THE NATIONAL ANTHEM

*Lyrics by Francis Scott Key*

Oh! Say, can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars, thro' the perilous fight,  
O're the ramparts we watched were so gallantly streaming.  
And the rockets' red glare, the bombs bursting in air,  
Gave proof thro' the night that our flag was still there.  
Oh! Say does that star-spangled banner yet wave  
O're the land of the free and the home of the brave?

## THE GUAM HYMN / FANOHGE CHAMORU

*Ramon Manalisay Sablan, M.D. (1934)*

*Translated to CHamoru by Lagrimas Untalan*

Fanohge CHamoru put it tano'-ta  
Kanta I matuna-na gi todo I lugat.  
Para I honra, para I gloriha  
Abiba I isla, sin parat.  
Para I honra, para I gloriha  
Abiba I isla, sin parat.

U todo I tiempo I pas para hita  
Yan ginen I langet na bendesion.  
Kontra I piligru, na'fansafu ham  
Yu'os protehi I isla Guåhan.  
Kontra I piligru, na'fansafu ham  
Yu'os protehi I isla Guåhan.

## UNIVERSITY ALMA MATER

*Music by R. Mannoni*

On the shore of the Western Pacific  
Stands our Alma Mater true.  
We'll long retain the memories  
Of the days we spent with you.

In the warmth of the island magic,  
We will return some day.  
Join in and sing a song of praise.

Hail, oh hail.  
Hail, oh hail.  
Our University.
