MESSAGE FROM THE CHAIRPERSON

At last, Fanuchânan 2022 graduates, commencement day is here. Your presence today proves your perseverance has paid off.

You chose a tougher and challenging path - not to mention the unconventional learning environment during the pandemic. Thankfully, the massive impact of COVID is now history.

All your efforts to get to earn your diploma will help form a foundation for you and your family to have a better future.

You also will be well-positioned to positively impact this island we call home, our nation and perhaps the global community.

As you take your next steps, carry with you a sense of optimism and courage. You've shown nothing can stop you from achieving your goals. All you've got to do is keep on trying.

As you begin your next journey, keep connected as a Triton. You are now a part of the Triton Alumni family. The Triton missions - to enlighten, to discover, and to serve will prove valuable in your future.

Congratulations and hope to hear from you and about your future endeavors!

Biba Fanuchânan Class of 2022, Biba UOG!

Liza J. Provide
Chairperson, Board of Regents

MESSAGE FROM THE PRESIDENT

It is my honor to share this moment with you, Fanuchânan 2022 graduates, your greatest academic achievement thus far. I also would like to say Un dangkulo' na si yu'os ma'ase to your family, friends, faculty and others who formed your network of support during tough times and cheered you on through your triumphs.

Many of you are setting new ground for your family as the first to have graduated from college. Many of you have had to make economic sacrifices or carry on with life's challenges to get to this point - whether that's juggling a job or caregiving for a child or a manâmkô' in your family or both and maybe more - to stay on track with your academics.

You are here today because you didn't give up, and that speaks of the resilient you, the Triton that no pandemic and no individual struggles can keep from reaching this day.

One of your next challenges is to build your path to encourage and empower those around you. By your achievement in earning your degree, you are already a role model for others in your family and community. Continue to be an inspiration to others. Lend a hand no matter how small the gesture.

Above all, whatever you do in life and in your career, keep your integrity intact. If you have that as your guiding light, career and life choices will be easier to make.

With great pride, I'm delighted that you are joining the family of Triton alumni. The fabric of UOG's history can only get stronger and more diverse as you make a positive impact on our island, our region, the nation and the world.

Congratulations and Biba TRITONS, Biba UOG!

Thomas W. Krise, Ph.D.

ABOUT COMMENCEMENT

Academic Dress and Procession

The history of academic dress dates to the Middle Ages when many scholars were also clerics and wore costume of the monastic orders. In 1321, the University of Cambridge adopted specific styles and color combinations. American colleges and universities desired to adopt a standard code for academic dress for colleges and universities in the United States. The standards continue to be followed by the American Council of Education.

The costumes worn today are all traditional and their colors, trimmings and patterns interpret the degree, the field of learning, and the institution that conferred the degree. The bachelor's gown has long pointed sleeves and is designed to be worn closed; the master's gown has an oblong sleeves open at the wrist. The rear part of its oblong shape is square cut and the front part has an arc cut away. The doctor's gown has bell-shaped sleeves, is faced with velvet and has three bars across the sleeves. The color of the velvet is distinctive of the degree.

The hood tells the story. The type of degree bachelor's, master's, doctor's, is indicated by the width of the velvet edging and the length of the hood, the doctor's hood being the longest and of a fuller shape. The color of the velvet edging denotes the field of learning and the lining denotes the school that conferred the degree.

The color of the tassel, worn on the left side of the mortarboard, indicates the field of study and is gold for those with a doctor's degree. The colors you will see today in the

hoods and gown of our faculty represent the various fields of learning: white, arts, letters, and humanities; drab, business administration; light blue, education; apricot, nursing; dark blue, philosophy; and golden yellow, science.

The academic procession is led by the grand marshal, who is the President of the Faculty Senate. A traditional order to procession is followed: First come the candidates for degrees according to the order in which the degrees are to be conferred; next, members of the faculty led by the faculty marshal, the honorary degree recipient and the other members of the platform party followed by the president of the university. The order is reversed for the recessional.

You will note that some of today's graduates are wearing a gold stole. This stole indicates that the wearer is graduating with academic honors.

The Mace

Historically, the mace was a heavy, spiked club used during the Middle Ages to break armor in battle. Today, the mace is an ornamental staff borne as a symbol of authority before a public official or legislative body. The mace of the University of Guam is made of ifil wood into which are carved ifil leaves. Ifil wood was chosen because of its performance, strength and value, all of which reflect the major characteristics of the University of Guam. The mace, designed by Forrest G. Rogers, was carved and donated to the University of Guam by the Department of Corrections.

HONORARY DEGREE

LUIS R. BAZA

Doctor of Laws

Honoris Causa

Luis R. Baza's career in human resources and public administration spans 36 years in the public and private sectors.

Baza is currently the Deputy Director of Administration and Finance at the Port Authority of Guam.

While serving as the Civil Service Commission chair, Baza presided over cases involving adverse actions, discrimination, and Equal Employment Opportunity grievances, as well as investigative proceedings. His role was to protect the integrity of the merit system and ensure administrative justice.

Baza was instrumental in drafting legislation implementing the Hay Study in 1991 which transformed and unified the Government of Guam's job evaluation and classification system from a narrative to a predominantly quantitative methodology.

This helped promote equal pay for equal work, correct internal pay inequities, and provide better management of the pay system.

Baza was also instrumental in protecting the University of Guam and Guam Community College's Academic Personnel positions from being placed in the unified pay schedule for classified employees, allowing both institutions to retain academic autonomy.

LUIS R. BAZA
DOCTOR OF LAWS
HONORIS CAUSA

COMMENCEMENT ADDRESS

JOLEEN AGUON, MD

Associate Administrator, Clinical Services
Guam Memorial Hospital Authority

Dr. Joleen Aguon earned her Bachelor of Arts degree in biology from UOG in 2000.

With this foundation for her journey to medical school, she pursued her Doctor of Medicine at the University of Hawaii John A. Burns School of Medicine in Honolulu, where she graduated in 2009.

She spent her residency at the LAC + USC Medical Center, in Los Angeles, California, one of the largest public hospitals in the country.

Dr. Aguon is part of the management team at the Guam Memorial Hospital Authority where she might be familiar to some in the island community as a public face and calming presence for health care during the height of Guam's struggles with the COVID pandemic.

She gives the frontliners in Guam credit for pulling through and standing strong as the island's health care resources were stretched thin at the critical point of the COVID-19 pandemic.

At GMHA, she holds multiple roles, including Associate Administrator of Clinical Services, Assistant Associate Administrator of Medical Services, Medical Director of Telemedicine and Medical Director of ICU/CCU, Respiratory Services.

JOLEEN AGUON, MD
Associate Administrator,
Clinical Services
Guam Memorial Hospital Authority

THE NATIONAL ANTHEM

Lyrics by Francis Scott Key

Oh! Say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O're the ramparts we watched were so gallantly streaming.
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh! Say does that star-spangled banner yet wave
O're the land of the free and the home of the brave?

THE GUAM HYMN / FANOHGE CHAMORU

Ramon Manalisay Sablan, M.D. (1934)

Translated to CHamoru by Lagrimas Untalan

Fanohge CHamoru put it tano'-ta
Kanta I matuna-na gi todū I lugat.

Para I honra, para I gloriha
Abiba I isla, sin parat.

Para I honra, para I gloriha
Abiba I isla, sin parat.

U todū I tiempo I pas para hita
Yan ginen I langet na bendesion.

Kontra I piligru, na'fansafu ham
Yu'os protehi I isla Guåhan.

Kontra I piligru, na'fansafu ham
Yu'os protehi I isla Guåhan.

UNIVERSITY ALMA MATER

Music by R. Mannoni

On the shore of the Western Pacific
Stands our Alma Mater true.
We'll long retain the memories
Of the days we spent with you.

In the warmth of the island magic,
We will return some day.
Join in and sing a song of praise.

Hail, oh hail.
Hail, oh hail.
Our University.
