

# 2019 Household Income Expenditure Survey (HIES)

University of Guam Cooperative Extension and Outreach and the Government of Guam, Bureau of Statistics and Plans, and Department of Labor are working together to update the Consumer Price Index, measuring inflation, and for the development of the Gross Domestic Product.

**Enumerators are:** Survey workers who collect demographic, economic and housing data in specific areas as assigned.

### *As an Enumerator, you will:*

- Earn \$34.00 per survey and \$20 per diary completed and verified
- Travel to designated households to conduct interviews with island residents to help individuals complete a survey form
- Assist residents by reading forms and answering questions about the survey
- Undertake a range of procedural, operational, administrative duties
- Read and navigate maps
- Be self-motivated, able to work autonomously and make decisions independently

### *Qualifications:*

- 18 years of age or older
- High School diploma or equivalent
- Valid Driver's License and transportation for fieldwork
- Pass a background screening and TB testing
- Prior survey experience would be a plus, but not a requirement.
- If you enjoy meeting people, this job is for you!

Interested applicants should contact Ms. Rochelle Bamba at (671) 735-2060/51 or email: [uoghies@triton.uog.edu](mailto:uoghies@triton.uog.edu)
