### Guam Board of Accountancy donates \$300K to UOG

The Guam Board of Accountancy donated \$300,000 in December to the School of Business and Public Administration at the University of Guam. The funds will go toward the school's Senator Herminia Dierking and John Phillips Visiting Accounting Professor and Lecturer Program, which was established by Public Law 32-191 in 2014 to enhance

the accounting program by providing access to specialized accounting professionals and classes not available in Guam.
