

Archaeology and Heritage Sites of Guam and the Marianas Region: Skills and Knowledge for Working Professionals

FREE VIRTUAL MINICOURSE for students and working professionals

Learn about the scope and range of archaeology and heritage sites in the Marianas Region through real-life examples of these sites, access to site documentation, and examples of educational exhibits and site visit programs. Participants will receive one continuing education unit and a certificate upon completion.

MARCH 1 - 15, 2022

Every Tuesday and Thursday
10 a.m. - 12 p.m. (UTC+10)

 www.uog.edu

The University of Guam is an equal opportunity provider and employer.
