

PARTICIPATE IN OUR RESEARCH STUDY!

The *UOG Colorectal Screening Initiative Committee* invites you to take this brief survey on **colorectal cancer screening**.

WHO CAN PARTICIPATE?

All University of Guam employees who are 18 years old and above.

WHAT IS INVOLVED?

You will answer a 10-15 minute online survey on colorectal cancer and screening knowledge and behaviors.

WHAT IS THE PURPOSE?

In 2019, UOG joined a nationwide initiative to have at least 80% colorectal cancer (CRC) screening rates in every community. This follow-up survey will help us to determine trends in UOG employee screening and knowledge of CRC.
