

Windbreak Workshop

For farmers, gardeners, and homeowners

Taught by UOG Agriculture & Natural Resources
Extension Specialist Jesse Bamba

9 a.m. - 11 a.m. | Friday, May 26, 2023
Agriculture & Life Sciences Bldg.,
Room 104, University of Guam

Learn how to:

- Plant ironwood tree seedlings
- Use ironwood and other fruit tree species as windbreaks
- Protect gardens from high winds and tropical storms

Register by May 24 by emailing hahne@triton.uog.edu.

Spots are limited.

**Each participant will receive 1 free ironwood seedling and
1 free calamansi tree seedling!**
