QUESTION & ANSWER SHEET NO. 2
June 24, 2022

*In response to the written "Questions" and/or 'Request for Clarifications' UOG received as of June 23, 2022 @ 9:42am from vendor: **Morrigo Equipment LLC***

Question 1: "For use only on areas where EPA final tier 4/EU stage IV is required". Tier 4 is not fully required for Guam emissions regulation, tier 3 is still applicable and still permitted to import into Guam. Morrigo equipment is requesting the bid permit US EPA Tier 3 and Tier 4 engine for acceptance. Please see attached Emissions Regulation.

Answer: **UOG confirms, Tier 3 will be acceptable if it is manufactured from 2019-2020 and comes with the certificate of conformity, and engine has a USEPA label.**
