Para u ma sustieni todú i tiempo i hinasson-ñiha siha i tres na mañelun famalao'an nu i guaiyayon na trongkon mansanita. Para u na'lá'la' si Leling esti siha na hinasso, ha tuge' papa yan ha publika un lepblo.

(The three sisters will always cherish their memories of the Lovable Mansanita Tree. To keep these memories alive, Leling wrote them down and published a book.)

Hâfa mås ya-mu na hinasso-mu yanggen gaige hao gi sanhiyong? Usa i kampon esti na pàppet ya un tuge' i istoriâ-mu.

(What is your favorite memory of being outside in nature? Use this space to write your own story.)
