34TH ANNUAL REGIONAL LANGUAGE ARTS CONFERENCE

CALL FOR PROPOSALS

The committee of the University of Guam's 34th Annual Regional Language Arts Conference (LAC) invite educators, administrators, and the community to attend and present at the virtual Language Arts Conference which will be held on **November 5, 2021**.

The 34th Annual Regional Language Arts Conference theme of *Enhancing Our Classrooms to Navigate Beyond the Four Walls* invites us to reflect on the changes that we have had to adapt and adopt to in the past year in lieu of the COVID-19 pandemic.

It has been two years since the re-imagining of what a traditional classroom space entails. Having paused face-to-face instruction from the confines of a traditional four-walled classroom, instructors began to shift and utilize the tools for online instruction. While remote learning has long existed, the shift these classrooms have undertaken is a result of the COVID-19 pandemic which provided numerous challenges for both instructor and student. In continuing our conversation from the 33rd Annual Regional Language Arts Conference where we discussed what our navigating stars were for new and emerging pedagogies, what routes have we taken? Where has our journey of online learning and teaching landed us thus far? What are some new challenges that we face?
